

2016 ANNUAL REPORT

# PIONEERS & PROGRESS

Our donors turn dreams into reality.

*St. Boniface Hospital's research pioneers (from left): Drs. Henry Friesen, John Foerster, Arnold Naimark, and Naranjan Dhalla.*

Hôpital St-Boniface Hospital  
FONDATION • FOUNDATION

## Mission

The mission of St. Boniface Hospital Foundation is to raise funds to support excellence in health care and research at St. Boniface Hospital in a manner that is guided by the legacy and values of the Grey Nuns.

## Vision

St. Boniface Hospital Foundation will be at the forefront of fund raising to promote excellence in health care and research to create a healthier society.

## On the cover

St. Boniface Hospital is home to one of the world's leading medical research institutes.

It all began over 30 years ago when Drs. Henry Friesen, John Foerster, Arnold Naimark, Naranjan Dhalla, and other visionaries, rolled up their sleeves and brought a dream to life. They attracted exceptional talent. They raised funds. They inspired colleagues. They made discoveries.

Today, housed at St. Boniface Hospital's Albrechtsen Research Centre and the I.H. Asper Clinical Research Institute, medical research thrives, thanks to a new generation of visionaries – gifted scientists who work diligently to solve some of the world's greatest health challenges. Your support makes their discoveries possible. Read their remarkable stories at [researchwashere.com](http://researchwashere.com).

We are grateful to our pioneers for their passion and drive. And we are grateful to you, our donors, for funding today's pioneering research and turning dreams into reality.

*Thank you for supporting patient care and medical research at St. Boniface Hospital. Your generosity makes a difference.*

## ENDOWMENT FUND BALANCE

# WHEN THE PHONE RINGS

In October 2016, Dr. Randy Guzman – a brilliant vascular surgeon at St. Boniface Hospital – appeared on The Health Report, the Foundation’s weekly radio show on 680 CJOB. Among other topics, Dr. Guzman spoke about his dream of seeing the Hospital’s plan to open a state-of-the-art Endovascular Hybrid Operating Room (OR).

A Hybrid OR is equipped with advanced imaging technology, which allows surgeons like Dr. Guzman to perform minimally invasive surgery. The space also functions as a conventional operating room, allowing surgeons to make quick, safe transitions to open surgery when necessary.

The imaging equipment is wheeled out of the way and surgery can proceed quickly. The patient does not have to be transferred to another room, thereby reducing the risk of infection. It is important technology that will improve patient outcomes and attract leading surgeons, Dr. Guzman explained on the air.

The total price tag for a Hybrid OR is about \$6.5 million. Vital technology doesn’t come cheap.

Back at the Foundation office the next day, the phone rang. The gentleman on the other end of the line said he had listened to the program and wanted to donate to the Hybrid OR campaign to thank Dr. Guzman for performing his successful surgery. His gift – a generous \$1 million.

Another former patient called us in 2016 to tell his story. He went to the emergency room after experiencing chest pain. All of the usual tests showed that nothing was wrong, but the ER doctor decided to dig deeper, which led to the discovery of a complex, but treatable, heart problem. The Hospital’s cardiac team took over and ultimately saved the patient’s life. To express his gratitude, he contributed \$100,000 to the Foundation and asked that his gift support the Emergency Department and the Cardiac Sciences Program in equal measure.

Toward the end of 2016, we received a letter from the adult children of a woman who had just passed away after spending time in the Hospital’s Palliative Care Unit. They were moved by, and grateful for, the care she received. To fulfill their mother’s wish, they donated \$5,000 in support of medical research.

We were showered with such stories throughout 2016. Grateful patients and their families stepped forward with donations of all sizes; with offers of volunteerism; with heartfelt words of thanks; and with the most sincere smiles you can imagine.

For the Board and staff of St. Boniface Hospital Foundation, these expressions of gratitude energize us – and we too, are grateful. We are grateful for donors and sponsors like you who turn dreams into reality. We are grateful for the commitment to excellence that drives our colleagues at St. Boniface Hospital. We are grateful for the world-leading research being conducted at St. Boniface Hospital’s Albrechtsen Research Centre, and for the doctors on the cover of this report who led the way with some very big dreams.

On behalf of our Board, I would also like to express my gratitude for the exceptional partnership and leadership of Charles (Chuck) LaFlèche. Chuck served as our President and CEO beginning in 2010, and stepped down to pursue a new opportunity in March of 2017. In his seven years with us, Chuck raised the profile of the Foundation, and raised the bar for us as research and health-care champions. We will miss Chuck’s energy, skill, and style – we wish him continued success in his future endeavours.

Former U.S. President, John F. Kennedy once said, “We must find time to stop and thank the people who make a difference in our lives.”

We thank you for finding the time. And we thank you for your support in 2016.

- Donors who support St. Boniface Hospital Foundation as Monthly Donors.
- <sup>(10)</sup> Donors who have been supporting St. Boniface Hospital Foundation for more than 10 years.
- <sup>(15)</sup> Donors who have been supporting St. Boniface Hospital Foundation for more than 15 years.
- <sup>(20)</sup> Donors who have been supporting St. Boniface Hospital Foundation for more than 20 years.
- <sup>(25)</sup> Donors who have been supporting St. Boniface Hospital Foundation for more than 25 years.
- ▲ Donors who are members of our Legacy of Hope planned giving society.

Donors' names appear in the manner and in the language in which they wish to be recognized.

# LEGACY of Hope Society

**Donors who join the Legacy of Hope Society have made an eternal commitment to helping those in need, by leaving a gift in their will to St. Boniface Hospital. On behalf of all of us, and the future generations who will benefit from your support, thank you for your legacy of health, hope, and healing.**

# CUMULATIVE Giving

The following donors have demonstrated unwavering support to St. Boniface Hospital through multiple years of giving and donations totaling \$10,000 or more. Their significant, continuous support ensures care is always available to the many people who depend on St. Boniface Hospital.

*Long-time donors Carole & Clark Sinnott receive their 25-year pins at the Foundation's annual Donor Appreciation Breakfast from Heather Olynick, Communications Officer.*

# BRINGING PEOPLE TOGETHER IN 2016

Community support for St. Boniface Hospital seems infinite: in 2016, our annual Cardiac Classic golf tournament sold out yet again; and our annual Radiothon of Hope and Healing set a new fundraising record.

These two special events unite our community in support of a common goal and, in doing so, raise thousands of dollars for patient care and medical research. Thank you to everyone who participated!

We are especially grateful for the generous support of our event sponsors, whose partnership ensures our continued success.

Thank you to our 2016 event sponsors:

# We've Imagined.

**In 2016**, St. Boniface Hospital Foundation earned accreditation through Imagine Canada's Standards Program, which recognizes operational excellence in the charitable sector. The Foundation is the first hospital foundation in Manitoba to hold this designation, and one of only 200 organizations across Canada.

*To learn more, please visit [imaginecanada.ca](http://imaginecanada.ca)*

The Standards Program Trustmark is a mark of Imagine Canada used under licence by St. Boniface Hospital Foundation.
