

RE: Meal drop off May 28, 2020

1. Be prepared to answer your door starting at 5:45pm. The delivery person will knock on your door, leave your packages at the door and wait in their vehicle until you bring it into your home.
2. Preheat your oven to 300 F
3. You will receive two bags - one cold food and beverage bag and one hot food bag.
4. Choose your beverage of wine, beer and/or cocktails. Just open the wine and beer. The “Karl Quarantini” needs to be shaken and poured over ice in your prettiest glass.
5. Unpack hot food, plate on your crockery and put in oven for 10-15 minutes
6. Dress and plate your salad.
7. Artfully plate the dessert.
8. Enjoy!
