*Proceeds will fund life-saving care, research, and equipment at St. Boniface Hospital, Health Sciences Centre Winnipeg, and HSC Winnipeg-Children's Hospital.*

**Thursday, July 30, 2020 - Winnipeg, MB** - Manitoba's three cornerstone hospital foundations are proud to announce the very first sell out in Tri-Hospital Dream Lottery history. Funds raised from this year's Dream Lottery will go directly toward improving patient care, funding research, and purchasing specialized equipment and technology, which will benefit the combined 1 million patients that visit the hospitals annually.

**We are here for you. We are here for life. Thank you for your ticket purchases and your support of our caregivers, front-line workers, and all our health care heroes.**

"There is power in numbers, and the partnership between our three Foundations has just made history!" said Vince Barletta, President & CEO of St. Boniface Hospital Foundation. "The first sell-out of the Tri-Hospital Dream Lottery - we are so thankful to the Manitobans who have stood beside us and shown us how much they care."

"We are reminded of the ongoing need for individuals, communities, and institutions including our three hospitals to work together for the good health of all," said HSC Foundation President & CEO Jonathon Lyon. "We thank Manitobans for their tremendous support."

"Along with the chance to win a wonderful prize package, each ticket brings the potential to change a life - even save a life. That's a special opportunity," said Children's Hospital Foundation President & CEO Stefano Grande.

**As a result of selling out early, the Grand Prize draw and 50/50 PLUS draw will now be held on Wednesday, August 12, 2020.**
