

**GET READY TO SAY YES TO ST. BONIFACE HOSPITAL
THE MEGA MILLION CHOICES LOTTERY IS BACK FOR 2022!**

Ticket purchases make the difference. When you win, Manitobans win.

Thursday, January 6, 2022 - Manitoba is about to mint a new millionaire. St. Boniface Hospital Foundation has announced the 2022 Mega Million Choices Lottery, with six Grand Prize choices for this year's biggest winner, including homes in Winnipeg, St. Adolphe, and Brandon, a stunning cottage in Clear Lake country, and a gorgeous ocean-view yacht suite home on Vancouver Island. Or choose a whopping \$1.25 million tax-free cash.

The Foundation encourages Manitobans to act fast and get their tickets as soon as possible. Last year's program sold out at record pace by mid-February.

Every single prize in this year's Mega Million Choices Lottery has a cash option. And there's more to win for early buyers – including the over \$36,000 Loyalty Bonus Draw (deadline to buy: Thursday, January 27, 2022) and the over \$57,000 Ultimate Bonus Draw, plus 26 Early Bird draws – worth \$255,000 in prizes.

Most importantly, every ticket purchase makes the difference at St. Boniface Hospital. This is Manitoba's opportunity to change the face of health care.

“Every ticket purchased for the St. Boniface Mega Million Choices Lottery is an investment in the health of our province,” said Karen Fowler, President and CEO, St. Boniface Hospital Foundation. “Never doubt your support makes a difference. Your ticket offers Manitobans hope for the future by fueling the powerful spirit of compassion and the drive for medical discovery that St. Boniface Hospital has been known for throughout its 150-year history.”

When you win, Manitobans win.
