ABOUT THE ROSÉ SOIRÉE

Join us at the enchanting St. Boniface Cathedral Ruins for an evening soirée celebrating the exceptional cardiac care and research at St. Boniface Hospital, where Manitoba's gold standard is set for cardiac excellence.

At the Rosé Soirée, guests will be treated to sumptuous food and signature cocktails, all while overlooking Winnipeg's downtown skyline over the Red River at sunset. Guests will be able to partake in a high-end auction filled with fabulous prizes, and an entertainment lineup that will have you talking about the event for months to come!

A PARTNERSHIP FOR HOPE AND HEALING

St. Boniface Hospital is a renowned leader in cardiac care. Cardiac Sciences Manitoba sees more than 51,000 patient visits each year and has the best bypass and valve replacement survival rates in the country. Each year our cardiac teams perform more than 1,100 cardiac surgeries; implant more than 1,000 pacemakers; and perform more than 17,000 echocardiography tests. And our patients have some of the best outcomes in Canada.

Net proceeds from Rosé Soirée will support life-saving, critical cardiac care at St. Boniface Hospital. Join us in making a difference for thousands of Manitobans who receive vital cardiac care at St. Boniface Hospital every year.
